STATE OUTREACH PROJECT

Our Vice President of Community Service, Morgan Stephens, in agreement with the state officer team, has established the **Faith House of Acadiana** as the 2018-19 Louisiana Family, Career and Community Leaders of America State Outreach Project. Faith House, founded in 1980 by Sister Mary Thomas as a domestic violence crisis center and shelter, has been serving survivors of domestic abuse for over thirty-five years throughout seven parishes in central and south Louisiana. Financial and in-kind donations fuel Faith House and provide support to survivors.

The Louisiana Family, Career and Community Leaders of America will be collecting both financial and in-kind donations at the state leadership conference to support the Faith House of Acadiana. More information regarding the supply drive time and location will be distributed at a later date. If your

chapter is interested in contributing to their mission, please visit <https://faithhouseacadiana.com/donate> for more information.

Those chapters who contribute to our state outreach project will receive on-stage recognition at the state leadership conference with a certificate of our appreciation. Thank you in advance.

MEMBERSHIP CAMPAIGN

Our Vice President of Membership, Australia Williams, in agreement with the state executive council, has established the following goal as the 2018-19 Louisiana Family, Career and Community Leaders of America Membership Campaign. Our goal is to motivate each affiliated chapter to increase membership while encouraging other local (non-affiliated) schools to begin a new chapter.

CAMPAIGN: For those chapters with an increase in membership of at least ten percent, **each chapter will receive a token of our appreciation.** For those advisers who recruit a new chapter, **each adviser will receive a large gift basket with hundreds of dollars in rewards.** Together we can grow!

NEW CHAPTERS: If you are interested in starting a new chapter in your school or district, please contact the state leadership team at leadership@lafclainc.org for more information. Membership kits and assistance can be provided at your request.

ALUMNI RELATIONS CAMPAIGN

For generations, our organization has provided members with unlimited opportunities to develop into the individual they aspire to become. Our state theme, Generations of Leadership: Past, Present, Future, focuses on individuals whom have done just that. We are seeking any and all information which may lead to the successful contact of alumni for a special project at the state leadership conference. If you have any information and are willing to aid us in our efforts, please contact msavoy@lafclainc.org.

We would also like to thank the following individuals for their overwhelming support and dedication: Ms. Breanna Guidry, Mr. Clay Troutman, and Ms. Abigail Welch. Together, their passion for Family and Consumer Sciences is unmatched. Thank you for volunteering your time and effort to ensure a successful foundation remains for generations to come.

PUBLIC RELATIONS CAMPAIGN

We ask that all advisers, chaperones, and members submit images from throughout the upcoming year to be featured on our social media, website, local news outlets, and the state leadership conference. The chapter with the most submissions will be granted a special gift at the state leadership conference in March. To submit, please e-mail a short description and the images (in .png/.jpg form) to msavoy@lafclainc.org. We thank you for your cooperation in promoting your chapter and our organization!

WRAPPING UP

We would like to thank each of you for providing your students the opportunity to experience personal growth and leadership development through family and consumer sciences education and our organization. Without your support and dedication, our association would not be alive today. We greatly appreciate your involvement and we look forward to a fantastic year ahead! #BelieveInYourself
